

KWH LOGISTICS

Clever overall logistic solutions

Who we are

KWH Logistics is the biggest port operator in Finland and the leading operator in transit traffic. We are part of the solid family company KWH Group.

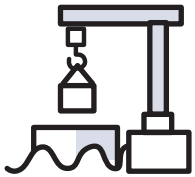

What we do

Moving and handling goods is at the core of our business, both in ports and in factory areas. In addition, our international transport unit moves goods around the world. We also offer covered, cold and field storage.

How we do it

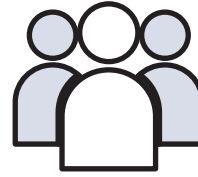

Our aim is to always design clever logistic chains, which improve the competitiveness of our customers. This usually includes making considerable investments and finding smart new solutions.
